Advancing Justice. Protecting Rights. Delivering Results.

WELCOME TO VG LEX PARTNERS

Our Philosophy

Combining expertise, strengthening capabilities, and delivering excellence through a unified legal practice."

VG LEX PARTNERS, Advocates and Solicitors, has emerged from the strategic association of Trademark Juris and ConceptLegal, which have joined hands by combining their respective practices under one roof with a shared vision of delivering comprehensive, efficient, and client-focused legal services. This collaboration brings together the collective strengths, expertise, and experience of both firms, creating a dynamic and multidisciplinary legal practice equipped to address the evolving legal and commercial needs of its clients.

Built upon a foundation of professional excellence, integrity, and innovation, VG LEX PARTNERS is committed to providing seamless, practical, and value-driven legal solutions across diverse practice areas.

By integrating the capabilities and resources of both firms, VG LEX PARTNERS is uniquely positioned to offer enhanced legal support, strategic counsel.

Our personalized services to domestic and international clients, while maintaining the highest standards of professionalism and

"True peace is not merely the absence of tension; it is the presence of justice"

Martin Luther King Jr.

to domestic and international clients. Our multidisciplinary approach and industry-specific knowledge, the Firm provides practical, commercially viable, and result-oriented solutions tailored to the unique requirements of businesses, institutions, and individuals. Our objective is to serve as a trusted legal partner by offering end-to-end legal support under a single platform and building long-term relationships.

PRACTICE AREA

While Intellectual Property Rights remain one of the Firm's core practice areas, the Firm also offers comprehensive legal services across a wide spectrum of laws and regulatory frameworks. Our expertise extends to

- ❖ Intellectual Property Laws
- ❖ Corporate and Commercial Laws
- ❖ Civil and Commercial Litigation
- ❖ Property & Real Estate disputes
- ❖ Alternative Dispute Resolution
- ❖ Contract Drafting and Advisory
- ❖ Employment and Labour Laws
- ❖ Legal Metrology Compliances
- ❖ Data Protection Laws
- ❖ General Corporate Advisory

Our client-centric approach focuses on understanding each client's unique objectives and challenges, allowing us to deliver pragmatic solutions that protect their interests and support their growth.
